

About The Gates Scholarship

The Gates Scholarship (TGS) is a highly selective, last-dollar scholarship for outstanding, minority, high school seniors from low-income households. Each year, the scholarship is awarded to exceptional student leaders, with the intent of helping them realize their maximum potential.

Selected Scholars will receive funding for the full cost of attendance to earn a bachelor's degree, that is not already covered by other financial aid and the Student Aid Index, as determined by the Free Application for Federal Student Aid (FAFSA), or the methodology used by a Scholar's college or university. Costs covered include tuition, fees, books, housing and food, and may include additional personal costs.

TGS also provides Scholars with various online support services designed to help them excel in their degree programs, graduate, and make a successful transition to their chosen careers. These include career services, mentoring, leadership development, wellness, and knowledge building.
